SUPERINTENDENT'S REPORT

To the School Board and Citizens of Richmond:

I have the honor to submit, herewith, my fourth annual report.

A year ago I called your attention to the advantage to the School District as the result of the approval of the State Board for state aid. To continue to qualify for such aid year after year we must lay out some money this spring and summer on our school buildings. There is still due Richmond from the equalization fund \$1,383.81. A part of this sum is available for repair of buildings and the balance is seen to have reduced the assessment to be raised by taxation by \$1,000. I list below the building repairs referred to above.

1. New hard wood floors at North Richmond and at the Four Corners.
2. Inside and outside painting of all the buildings.
3. The Four Corners building should be shored up underneath.
4. Minor repairs to doors and locks.
5. New and approved curtains at North Richmond and Prescott School.
6. New seats and desks at the Four Corners.
7. New teachers' desk at North Richmond and new seats and desks a year later.

The budget presented contemplates these expenditures.

HEALTH. The examination of the school children made last May is printed in tabulated form elsewhere in this report. The success of your children in school and after they leave school depends in large degree upon their health. Many physical defects are easily remedied and I urge upon parents to consider the cards sent to them by Dr. Emerson and make an effort to have teeth, adenoids and tonsils looked after as soon as possible.

TEACHERS AND PUPILS. The attendance shows improvement and the progress of the children through the schools shows steady advance. We were fortunate in being able to retain the services of the same staff of teachers that served us so efficiently last year. This increased tenure of the teachers is one of the significant factors in the increased progress of our children.

In concluding this very brief report, I would be ungrateful indeed if I did not express my appreciation to teachers and pupils, to the school board and to the citizens of Richmond for their continued co-operation and support in the great work of education.

Respectfully submitted,

WESLEY N. DOUGLASS,
Superintendent of Schools.

Winchester, N. H., February 8, 1929.
